p.m. to 2:30 p.m. with University Presidents and workshops from 3:00 p.m. to 5:00 p.m. – U.S. Dept. of Commerce on Global Business and Community Involvement for Next Generation. Unity Prayers will also be taking place at 4:00 p.m. From 5:00 p.m. to 6:00 p.m., preparation/setup outside the Grand Ballroom. The celebration and dinner will begin at 6:00 p.m. Dr. Hieu said the above program is tentative and subject to change, pending on budget and confirmation of guest speakers.

Questions were brought to the floor... Is there a theme for the educational session? How will the individuals know if they would like to attend the session if they don't have any idea what will be discussed? It should be of interest to many such as financial challenges to attend colleges/universities. Who will be the backup to the keynote speaker if he is unable to attend? Doug said we are working on it.

Volunteer information sheets were handed out. Volunteers were solicited to serve on various committees such as Awards, Banquet Program, Program Book, Exhibits, Ticket Sales, and Sponsorship/Fundraising. The volunteer information sheets were collected at the end of the meeting. More solicitation will be had at the next meeting.

Luan Nguyen remarked on the status of the budget/fundraising. At this time, no funds have been raised. Doug Nguyen stated that 71 letters were sent and no responses have been received. Other members were attending meetings this evening to solicit sponsorship from the casinos. This is something that has not been done in the past but there seems to be interest from the casinos. Dr. Hieu expects to hear from American Family Insurance this week as to how much they will be willing to contribute. C.C. Chan indicated that she will be meeting with AARP and individuals from Hartford Ins. to discuss the sponsorship. There is commitment but she is unable to provide the information at this time.

Dr. Hieu covered policies of the AACC for the Host Community and Team Work... respect for, listen to, support of, and celebrate with the Host Community; welcome new ideas/suggestions, consider all, honor all and inform all.

The proposed theme was unveiled...

- Dr. Hieu: Thanks Mrs. Mon and our AACC leaders for your continued support. Without your thoughtful assistance and suggestions at meetings, this event could not be possible.
- Paul Park: We are delighted to know that Japanese community will host this AACC gala in 2014. We appreciate Dr. Hieu's efforts in bringing Asians together, including Japanese community back to lead this significant event twice (in 2012 and 1996).
- Rashid Chaudary: (Comment from AACC Membership Info) Good Start. Good luck for the Vietnamese Community to host the event on 23rd Feb., 2013. It looks like we are really doing something good for our communities this year. I feel we are going beyond just having the dinner only. Good Luck.
